

# Fall 2009 OP Eagles High School Age Teams Response Sheet

Ohio Premier Eagles is forming 1 or 2 teams of high school age players for the Fall 2009 Season.

Playing with Ohio Premier Eagles during the fall of 2009 means that you cannot play with your high school team.

Playing with your high school team means that you cannot participate in Ohio Premier Eagles Activities. This is not an Ohio Premier Eagles policy, but rather the rule of the Ohio High School Athletic Association.

Please send back this form to Ruth Rudibaugh if interested in playing for the Fall Team. Anyone interested should return this form **no later than 6/15/09 WITH A \$200 NON-REFUNDABLE DEPOSIT (unless not chosen to team or team is not formed).** **Your form will not be considered without the deposit.**

- Your decision will not affect your future in Ohio Premier Eagles for the winter/spring age group teams. This team is separate from the age group teams that begin play after the high school season is completed.
- A decision to play for the Fall Team is not a guarantee of a spot on the team. There may still be selections and/or tryouts.
- If you check that you wish to play for Ohio Premier Eagles for the Fall 2009 season, your signature and a signature of a parent/guardian is required.
- A non-refundable \$200 deposit must be included with this response sheet to be considered for the team. This deposit will only be returned if the player is not selected by the OP Eagles staff to play on this team. If the player does not play for the OP Eagles Fall Team for any other reason, the deposit will not be returned.

**My signature below indicates that I wish to be considered for the fall high school age team in Ohio Premier Eagles for the Fall 2009 season.**
