

Ohio Premier Eagles Soccer Invitational

September 19-20, 2009

OHIO PREMIER ADOPTS STAY TO PLAY HOUSING POLICY FOR OP INVITATIONAL 2009!

As the OP Invitational tournament continues to grow, so does the demand for quality, affordable housing. To assure that there are an adequate number of rooms available for the 2009 OPI, the tournament committee has instituted the following procedures. Please read carefully and adhere to the stated deadlines.

1. Please contact a hotel directly from the list of approved properties on the tournament website to make your reservations. The tournament committee has arranged for special deals for tournament weekend, which will not be honored for reservations made thru reservation centers or hotel websites. All teams are responsible for securing their own reservations. We do not work with a housing bureau.
2. All rooming lists with credit card information are due to the appropriate hotel no later than **8/21/09**. Reservations not made by that date are an indication that you will no longer need those rooms and they will be released & rebooked.
3. Any reservation cancelations made after 8/28/09 will result in the first nights room and tax being charged to the credit card number that is attached to the cancelled reservation.

4. There is a two night minimum stay for the tournament.

It is the hope of the committee that these new guidelines will assure that there will be a sufficient number of rooms available for all of our tournament guests. Thank you for your help in making the 2009 OP Invitational one of the best tournaments in the Midwest.

To expedite your reservation request, please complete the two forms below and forward to the hotel sales manager. If you are reserving rooms for a group, please insert the contact's information below, and complete and include the enclosed rooming list. **You must contact the selected hotel directly via the sales manager to confirm availability.**
